EXPLANATORY NOTES TO RESOLUTIONS

Resolutions 1 to 13 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 14 and 15 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolutions 13 to 15 are considered special business as set out in Article 48 of the Company’s articles of association.

Resolution 1 (annual report and accounts) The Directors of the Company must present to the meeting the audited annual accounts and the directors’ and auditors’ report for the financial period ended 31 December 2016.

Resolution 2 (remuneration report) The Company’s Shareholders will be asked to approve the remuneration report set out on pages 18 to 19 of the annual report and accounts at the Annual General Meeting.

Resolutions 3 and 4 (appointment and remuneration of auditors) The Company must appoint auditors at each general meeting at which accounts are presented to Shareholders to hold office until the conclusion of the next such meeting. Resolution 3 seeks Shareholder approval to reappoint Hazelwoods LLP of Staverton Court, Staverton, Cheltenham GL51 0UX as the Company’s auditors.

In accordance with normal practice, Resolution 4 seeks authority for the Company’s Directors to fix their remuneration.

Resolutions 5 to 12 (inclusive) (re-election of directors) All Directors of the Company are standing for election or re-election, in accordance with industry best practice and investor guidance.

Brief biographies of the Directors are available on the Company’s website at http://about.7digital.com/about

Resolution 13 (authority to allot) The Investment Association’s (‘IA’) guidelines state that IA members will permit, and treat as routine, (i) a request for authorisation to allot up to one-third of the current total issued Ordinary Share capital of the Company, together with the number of shares required to be allotted in respect of share incentive schemes; and (ii) a request for authorisation to allot up to a further one-third of the Company’s current total issued Ordinary Share capital, provided that such additional allotment is only applied to fully pre-emptive rights issues. The Board considers it appropriate that the Company should follow these guidelines.

Accordingly, under Resolution 13.1.1, the Directors are seeking authority to allot shares and grant rights to subscribe for, or convert securities into, shares up to an aggregate nominal amount of £532,794.49 pursuant to Section 551 of the 2006 Act, which is equivalent to approximately one-third of the total issued Ordinary Share capital of the Company (excluding Treasury shares) as at 5 June
2017, the latest practicable date prior to publication of this Notice of AGM (“Latest Practicable Date”).

Under Resolution 13.1.2, the Directors are seeking authority to allot Ordinary Shares in connection with a rights issue in favour of holders of Ordinary Share up to a further aggregate nominal amount of £532,794.49, which is equivalent to approximately one-third of the total issued Ordinary Share capital of the Company (excluding Treasury shares) as at the Latest Practicable Date.

Therefore, the total authorisation sought by Resolution 13 is equal to approximately two-thirds of the total issued Ordinary Share capital of the Company (excluding Treasury shares) as at the Latest Practicable Date. The Directors have no present intention of exercising this authority other than in connection with the Company’s share incentive schemes previously approved by the Shareholders, but they consider it desirable to have the maximum flexibility permitted by corporate governance guidelines. This authority will expire on the conclusion of the Company’s AGM in 2018 or at the close of business on 30 June 2018, whichever is the earlier.

Resolution 14, A Special Resolution (statutory pre-emption rights) The Directors, pursuant to Section 561 of the Companies Act 2006, are seeking authority to allot shares for cash without first being required to offer such securities to existing Shareholders in proportion to their existing holdings and to dispose of shares held in Treasury, other than by way of a rights issue or in connection with any other pre-emptive offer, up to an aggregate nominal amount of £239,757.52, which is equivalent to approximately 15 per cent of the total issued Ordinary Share capital (excluding Treasury shares) of the Company as at the Latest Practicable Date.

Except in relation to the Company’s employee share schemes, the Directors have no immediate plans to make use of these authorities and these authorities are in line with those previously authorised by the Shareholders.

This authority will expire on the conclusion of the Company’s AGM in 2018, or at close of business on 30 June 2018, whichever is the earlier.

Resolution 15, A Special Resolution (authority for market purchases of own shares) The Company is seeking authority to purchase up to 23,975,750 Ordinary Shares, being approximately 15 per cent of its total issued Ordinary Share capital (excluding Treasury shares) as at the Latest Practicable Date, at, or between, the minimum and maximum prices specified in this resolution.

This power would be used only after careful consideration by the Directors, having taken into account market conditions prevailing at that time, the investment needs of the Company, its opportunities for expansion and its overall financial position. The Directors would exercise this authority to purchase Ordinary Shares only if they considered it to be in the best interests of Shareholders and if the purchase could be expected to result in an increase in earnings per share. The Company may either cancel any shares it purchases under this authority or transfer them into Treasury.
